Mission Office Appeal: Erskineville Parish

Our Gospel reading speak of the seed spread in the field and the mustard seed growing into a large tree. What you give to the Mission Appeal is like a seed which will grow.

PLANT A SEED TODAY, WHETHER IT BE A LARGE SEED OR SMALL.

For **Clean Water** the seed will grow to become a supply of clean water, to less hard work for many women and girls, for girls being able to go to school, to gardens of greens for consumption and market, to feeding livestock. It will produce joy and delight, dancing and singing.

For **Youth** the seed will grow to become schooling with uniforms, books and fees, for training for trades and employment, for a better start in life, to pride and dignity as adult persons.

For **Health** the seed will grow to become supply of medicines, clothing, bedding and food, to awareness programmes for HIV/Aids, Malaria and Leprosy, to aid and assistance with Covid support programmes.

For **Environment** the seed will grow to planting of trees for fruit, shade and ground cover, mangroves on the coast, education, awareness and training for sustainable development with poor people in remote areas.

For **Missionaries** the seed will grow into support for priests, brothers, sisters and lay workers for transport for pastoral work, housing and office necessities and self-sustaining support systems in parishes.

Plant the seed, the Mission Office will care for it and the recipients will harvest the produce.

This is **evangelization in action**, proclaiming the Word of God in practical work and deeds.
